

Unapproved, unofficial Minutes of the April 6, 2020 Lackawanna Trail School Board actions.

The LTSD Board of Education did NOT have a meeting on April 6, 2020 @ 7:30pm in the Board room contrary to the public notice that had been previously published.

It appears that there was no notice in the local papers' legal section that the meeting would not be held. This brings into question requirements of both Pa.C.S.A. § 709 (Sunshine Act) & LTSD Procedure #006.

There has been no reply to a written request to board through the corresponding secretary for an explanation.

However, the official website LTSD.ORG home page and calendar pages carried notice of the scheduled meeting as of the night before the scheduled meeting. Even after the meeting was not held, the official website still listed it on the meetings page as scheduled.

There is no evidence that an Executive Session was held on April 6, 2020.
